

PETER MANNING BEATS SINGLE G IN TWO HEATS

"Race of the Century" Given Only Hisses and Boos on Track at Hartford

HARTFORD, Conn., Sept. 6.—The "race of the century" booked as the feature event of the Grand Circuit meeting here, was raced today amidst hisses and boos of the spectators. Peter Manning, the champion trotter, won, taking each heat from Single G, unbeaten thus far this season in 2:02 1/2 and 2:06.

In the first heat, Allen, driving Single G, immediately took the lead, but was content with a slight margin all the way to the stretch. The horses went to the half in 1:03 1/4 and in the race home Peter Manning was the stronger. They came the last quarter in 28 3/4 seconds. In the second heat, Allen trailed with Single G and the half was reached in 1:06 1/2. This time Allen attempted to outbrush the trotter but Murphy won easily. The last quarter was raced in 28 seconds flat.

Row Gratten, driven by Murphy, won the Whirlwind purse for 2:04 paces, after Edna Early had taken the first heat. Edith Worthy, with Lyman Brusie in the sulky, took the two year old trotting race, while Peter Blaze, Ackerman, won the 2:14 trot in four heats.

Miss America II, Speeding Along At More Than 80 Miles An Hour, Wins Championship Of Lake George

GAR WOOD AND MISS AMERICA II

DETROIT, Sept. 6.—(By the Associated Press)—The fastest speed ever made by a water craft marked the close today of the 1921 Gold Cup Harmsworth Trophy regatta. Miss America II, of Detroit, set the new world mark, 80.567 miles an hour, in capturing the Lake George Trophy for the one mile speed boat championship of North America.

Today's victory for Miss America II, gave Garfield A. Wood's hydroplanes a clean sweep in the regatta that began August 27. "His Miss America, I, successfully defended the Gold Cup, while Miss America II, retained the British International (Harmsworth) Trophy yesterday when Maple Leaf VII, the British challenger, was disabled and sank before completing the heat. While "Gar" Wood drove the victors in the Gold Cup and the Harmsworth races, his brother, George Wood, set the new world's mark today.

The old mark of 76.655, held by Miss America I, fell with the first dash when George Wood sent Miss America II soaring over the mile course in 44.27 seconds. He lowered it still further on his second trial downstream, when he made 44.19 sec on his third attempt downstream, he was timed at 44.13 seconds or 81.466 miles an hour. The new world record is the average of six

one mile dashes, three downstream and three upstream. The fastest of the three dashes against the current was made in 45.05 seconds.

Bear Cat I, of Detroit, won the Detroit News Trophy race for displacement runabouts.

Maple Leaf VII, which sank yesterday, remained submerged in six feet of water today. However, it was planned to raise and prepare her for shipment back to London.

Comebacks Flirt With Series' Jack

Back from baseball graves to get their share in this year's world series?

Is that what Babe Adams of the Pirates and Frank Baker of the Yankees are up to?

Of course, neither the Pirates nor the Yankees have clinched pennants, but both clubs are "sitting pretty." Babe Adams pitched in one world's series in 1909 when the Detroit Tigers and the Pittsburgh Pirates clashed. Adams won two games and Pittsburgh was declared the world's champion club.

Baker has starred in more than one. He was the home-run king when the Athletics were copping annually. He was known as a money player—doing his best work in the big series.

But Baker and Adams were both counted out. And in sports it is common to say that a man can't come back. Daily accounts of games played in the two big leagues include favorable mention of the two veterans. Adams is one of the stalwarts of the Pirates as he was in 1909. And Baker is battling in the runs the Yankees need so badly in their fight with Cleveland.

Babe Adams is 55 years old and began pitching in 1904 with Parsons, Kas.

Frank Baker is 35 years old and had been out of baseball over a year when the Yankees took him back this spring.

Frank always was a clean living farmer boy and the year and a half off the diamond didn't hurt him. He's the Frank Baker of old again.

"One more slice of the world's series melon," says Frank. He's been close to series money several times since leaving Connie Mack but seems a little nearer this season than in any other.

WATCHING COAST LEAGUE PLAYERS

Several Members of Clubs are Under Suspicion of Having Gambling Plans

SAN FRANCISCO, Sept. 6.—Ball players in several clubs in the Pacific Coast League are being watched daily on suspicion of having been tampered with by professional gamblers, President William H. McCarthy, of the league, said today.

His statement was made on his return from Los Angeles, where he witnessed the election of several alleged gamblers from the ball park last week. He said more gambling raids would be made before the end of the season and asserted that plain clothes men had all the gamblers in every ball park under surveillance, ready for ejection when the time came.
